HealthSpring of Illinois Growth

HealthSpring of Illinois began serving Medicare Advantage customers in 2004 and today, proudly delivers high quality medical care to approximately 13,000* Greater Chicago residents. With a robust hospital and physician network, HealthSpring and our partners are committed to serving our customers with the highest quality health care. Our local team proudly supports the Chicago community and economy through philanthropy, community affairs and growing job opportunities.

*Based on 02/2013 CMS monthly membership report.

Most recently, as part of the Illinois Medicare-Medicaid Alignment Initiative (MMAI), the Illinois Department of Healthcare and Family Services selected HealthSpring to serve the growing needs of dual-eligible patients in Greater Chicago, beginning January, 2014. We hope to bring our proven track record of quality care, improved results and enhanced customer experience to more customers through our work with the MMAI.

Illinois Medicare-Medicaid Alignment Initiative (MMAI)

Through integrated Medicare and Medicaid benefits and services, and integrated financing stream the Medicare-Medicaid Alignment Initiative strives to:

- Create a unified delivery system that is easier for beneficiaries to navigate
- Improve care delivery, coordination, and utilization of community-based services
- Eliminate conflicting incentives between Medicare and Medicaid that encourage cost shifting, which resulted in the reduction of access to high quality care, community based services and lack of Care Management of chronic conditions for beneficiaries
- Improve beneficiary satisfactions with the health care received; and
- Achieve cost savings

Under the Illinois MMAI program, HealthSpring will be responsible for providing the following:

- Medical services
- Behavioral health services
- Pharmacy services
- Long-term services and supports (LTSS)
